

PRAYER FOR SCHOOLS DAY

Pray for children and their teachers
at the start of each new school year.

Sat 28 / Sun 29th January 2012

Consider organising a special church service and invite Chaplains and Scripture Teachers as well as local principals, staff and teachers to attend.

PRAY FOR:

- Your local schools
- Students
- Principals
- Teachers
- All the support staff
- Scripture Teachers
- Chaplains
- First year teachers
- All staff who are starting at new schools

Consider encouraging all these people to attend your special church service in their uniforms and inviting them all to come to the front for prayer and to receive a small gift from the church.

REMEMBER TO PRAY FOR:

- Students starting at a new school
- Children starting school for the first time
- Children as they return to primary school
- Youth who are commencing high school
- Youth as they return to high school
- Teachers and support staff
- Volunteers in schools

Consider organising a group from your church to walk around the school and pray for God's protection and blessing over the whole school community.

**We have the greatest teacher of all. He has given us a wonderful message to share.
So let us also pray for all Christian Teachers, Chaplains and Scripture Teachers.**
